Resolution No:19 dated 30-3-32 (copy enclosed) has resolved that the Government be addressed to extend the time for re-payment by a further period of 6 months and to request the Government to excuse the payment of penal interest on both the loans. I therefore request the Government would be pleased to extend the time for payment of the balance of Rs 10,000/- by a further period of 6 months and to excuse the Council from payment of penal interest due.

Though the collections in the month of March were brisk, it was not found possible to pay the whole amount of the loan as some amount has to be set apart for payment of establishment and other running charges. If in the meantime better collections are made this amount of Rs 10,000/- will be paid much earlier.
